

GREENWOODS

CAMP FOR BOYS

BRING ON YOUR BEST

THE PREMIER SLEEPAWAY CAMP

IN THE MIDWEST

2, 4 and 8 week experiences

Since 1935, the spirit of our brotherhood and innovative programming has set the stage for boys to explore and discover who they are. Greenwood Camp is a place where boys develop the character and confidence they need to excel at camp and the world beyond. Our campers say that at Greenwood they feel part of something bigger than themselves. We are proud of the camaraderie and community that we continue to build on each summer.

Whether your son is a competitive athlete, musician, or loves water sports, there is a place for him at Greenwood. Our elective program allows boys to focus on their interests while expanding their horizons and challenging themselves to reach their full potential. We provide opportunities for healthy competition. Sportsmanship and teamwork are reinforced in all aspects of camp life.

MORE THAN A CAMP COUNSELOR — ROLE MODELS —

Camp is only as good as its people. We select only the finest counselors to care for our campers. Our mature and dynamic staff is chosen from students, graduates, coaches and teachers from all over the world.

We seek out charismatic, capable and compassionate individuals to ensure the physical and emotional well-being of our campers. Each counselor is committed to making a positive impact on each camper.

— BUILD YOUR OWN — **EXPERIENCE**

No two boys are the same, so why should their summer be?

We offer top-quality instruction in over 50 activities for all skills from beginner to advanced levels. Each boy customizes a program based on his interests and we guarantee each camper gets all the activities he selects.

We have an A and B Day schedule allowing our boys to develop skills in 6-10 different activities of their choice. Campers may select 1 “ACTIVITY MAJOR” to specialize in and take daily at camp. We encourage campers to try new things and use this experience as a way to explore their interests.

MORE THAN CAMP

CHARACTER EDUCATION

Kids today need camp more than ever. Camp provides the relief they need from pressures they encounter in their daily lives.

At Greenwoods, boys are challenged to take *healthy risks* and form *authentic relationships* with peers and counselors. More than just fun and friendship, we teach campers 21st century life skills including *resilience*, *creativity*, *teamwork*, *independence*, *optimism* and *citizenship*. These are some of the critical skills needed to empower boys to become healthy, productive and competent individuals.

THE HEART OF THE BROTHERHOOD

Boys tell us that Greenwoods is their home away from home. Cabin life provides the framework necessary for boys to form authentic connections with their peers.

Grouped by age, campers live with 3 to 4 counselors in spacious, airy, modern cabins with bathrooms and electricity.

LAKE OF THE WOODS CAMP FOR GIRLS

Lake of the Woods, our sister camp, offers 2, 4 and 8 week experiences for girls ages 6 -15. Lake of the Woods campers enjoy unique traditions and programs that run separately from our boys' camp. Lake of the Woods has the camaraderie and comfort of an all girls' camp, but with the added bonus of opportunities for pressure-free co-ed interaction. Camp BBQs, special events and a few co-ed evening activities add to the fun. Lake of the Woods and Greenwood's is the perfect place for siblings to spend their summers!

RAVING FANS

"We could not have written a better summer for Alex. Thank you so much for providing a home for Alex these past three summers and keeping it such a special place. You have helped give him confidence, self esteem, and truly shaped him into a man."

Tod & Michelle - Burbank, California

"Because of camp, my children learned to individuate, made lifelong friends & had amazing fun-filled summers. Thank you again for taking care of my boys in the professional yet loving manner that we experienced at Greenwood's."

Hilary - Bloomfield Hills, Michigan.

"To say you exceeded our expectations doesn't give you the credit I am intending to communicate. Instead, I will say this, outside of family life, I have no doubt that Greenwood's Camp will be the single biggest factor to shape who and what my son will become. You have done an exceptional job of making Greenwood's a place for meaningful personal growth, and for that I will be forever thankful!"
